

## FAVORITE SUBJECT:

I have always enjoyed math because I have been so very fortunate to have had so MANY effective and helpful math teachers. For example, my math teacher in first and second grade, Ms. Vicky Clay, taught me about math concepts as well as about hard work and life in general.

## HOBBIES AND CLUBS:

- ✓ Softball (summer league)
- ✓ Races every weekend (dirt track)
- ✓ Beta Club
- ✓ Yearbook staff
- ✓ 1st Priority

## THINGS I AM PROUD OF:

- ✓ Making the Homecoming court for three years in a row
- ✓ Getting a job at 15 years old

## I AM...

...extremely helpful. I am always friendly to all. I feel that part of my responsibility as a person is to be welcoming and warm to new students and those who may need a friend.

**THE GRASS REALLY CAN BE  
GREENER RIGHT WHERE WE ARE  
IF WE TAKE THE TIME TO TAKE CARE  
OF IT. THIS MEANS WE SEEK TO  
MAKE THINGS BETTER AROUND US.**

This means we remain positive, even when there are minor (or major) setbacks.

Bottom line, our attitude has a major role in how our life goes. We can smile and be positive and affect our world in a good way if we CHOOSE to do so.

## MY FUTURE HOLDS...

...a nursing degree. I am SO looking forward to helping pediatric patients recover from their illnesses. My education in our Mt. Pleasant schools has helped prepare me for my future career. Thanks, Maury County Schools, for all you have done for me!
