

## FAVORITE SUBJECTS:

I love agricultural mechanics because it teaches me new techniques when working around the house such as hooking up trailers and fixing electrical problems. AP U.S. history is also one of my favorites because it goes in depth on the “whys” and “hows” of history, satisfying my curiosity and making me want to learn even more.

## HOBBIES AND CLUBS:

- ✓ Vice President of the Art Club, Member of Beta Club and Interact Club (community service)
- ✓ Studying international/military special ops
- ✓ Reading and writing stories (working on three novels)
- ✓ Building and racing classic cars (carrying on a family legacy)
- ✓ Future Farmers of America (important to keep family tradition alive)
- ✓ Volunteering with Children’s Church

## THINGS I AM PROUD OF:

- ✓ Rebuilt my car by myself
- ✓ Awarded membership in the National Honors Society
- ✓ Selected for the Washington National Journalism and Media Conference
- ✓ Selected for the National Youth Leadership Forum for National Security, Diplomacy, Intelligence and Defense
- ✓ Named volunteer of the month at LifeCare Center
- ✓ Won third place for sparring at Taekwondo World Championships (Black belt)

## I AM...

...creative. I love to create new worlds in my writing and new people in my drawings. I love to go in depth, exploring and creating new things in the world and personalities for my characters. I am also loyal because friends and family mean so much to me, and I will always have their backs.

## MY FUTURE HOLDS...

...a career in Naval Special Warfare. I hope to attend the Naval Academy, then become an intelligence and operations planner for the Navy SEALs. Later, if women can indeed enlist in the SEALs, I hope to join and become a sniper.
