I enjoy the open discussion we have about current events and criminal theories in criminal justice with Mr. Garland Brown. In addition, I love the challenge of pre-calculus with Mrs. Maribeth Hughes and the opportunity to express myself in broadcasting with Mr. Dan Bell, as well as theatre art with Mr. Givan.

THINGS I AM PROUD OF:

- ✓ Math award for my diligence and work ethic in 8th grade

I AM...

...determined! I am determined to succeed in life. I refuse to let anyone or anything get in the way of what I have planned for my life.

I LOVE MATH BECAUSE IT IS A CHALLENGING SUBJECT. I LOVE THEATER AND BROADCASTING BECAUSE I GET AN OPPORTUNITY TO EXPRESS MYSELF, BE GOOFY AND SHOW HOW EASY IT IS FOR ME TO BE IN FRONT OF AN AUDIENCE.

MY FUTURE HOLDS...

... a world of adventure! I want to travel the world, taking photos and trying new things, meeting new people and tasting different varieties of food. I want to be able to tell my grandchildren about all my worldly adventures.
