

## Legislative Update – Week of April 19, 2021

### **I am from the government, and I am here to help...**

The amended budget presented by the governor is the largest in this history of the state. The governor put an additional 2.5 billion dollars into the state budget, with 1.6 billion in non-recurring funds and 906 million in additional recurring revenues. The highlights are a 250 million mental health trust fund, 79 million to eliminate the TCAT waiting list, 60 million more dollars in economic development funds, and 6 million additional funding to transportation. Finally, \$200 million in additional funding will be made available to local and city governments by January 1.
