## MISSION

*Leadership Maury is a personal development program designed to motivate participants to develop and enhance the quality of their leadership in addressing pertinent community needs.*

## CRITERIA FOR SELECTION

Leadership Maury participants are selected on their own merits through an application process conducted by the program's selection committee, with final approval by the Leadership Maury Board of Trustees. No applicant is automatically accepted into the class and all applicants are subject to the same review process. Selection is defined in broad terms and includes, but not limited to, the following factors:

- Applicants must live or work/volunteer in Maury County or the city limits of Spring Hill.
- Applicants must have at least 2 years of full-time work experience.
- Have demonstrated a desire to serve the community through past or present activities.
- Motivated and willing to serve Maury County through leadership roles such as public/private boards, volunteer organizations, and public office
- Possess potential or existing opportunities for leadership roles within their organizations, which may in turn play a significant role in their community.
- Will commit to attend all Leadership Maury program sessions and continue to serve at least one year past graduation as a resource person, program planner or other roles as needed.

The Leadership Maury Selection Committee makes a diligent effort to select participants who represent the diversity of the community. This generates much of the meaningful personal interaction and learning in the program. Class size is limited. **Applications must be received by the July 14th deadline.**
